### Qualified opinion

We have audited the financial statements of Sopar - Bala Vikasa (hereafter "the Organization"), which comprise the statement of financial position as at March 31, 2023, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to financial statements, including a summary of significant accounting policies, and the schedules.

In our opinion, except for the possible effects of the matter described in the "Basis for qualified opinion" section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as at March 31, 2023, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

### Basis for qualified opinion

In common with many not-for-profit organizations, the Organization derives revenue from contributions to fund-raising campaigns, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these contributions was limited to the amounts recorded in the records of the Organization. Therefore, we were not able to determine whether any adjustments might be necessary to private donations contributions, excess of revenues over expenses and cash flows from operating activities for the years ended March 31, 2023 and 2022, current assets as at March 31, 2023 and 2022 and net assets as at April 1, 2022 and 2021 and March 31, 2023 and 2022. Our opinion on the financial statements for the year ended March 31, 2022 was qualified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the "Auditor's responsibilities for the audit of the financial statements" section of our report. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### **Responsibilities of management and those charged with governance for the financial statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

### **Auditor's responsibilities for the audit of the financial statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control;

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to Financial Statements

March 31, 2023

---

### **1 - GOVERNING STATUTES AND PURPOSE OF THE ORGANIZATION**

Sopar - Bala Vikasa (the Organization) is incorporated under the Canada Not-for-profit Corporations Act. It aims to reduce poverty in developing countries, especially in India, and promote Canadian public engagement in international cooperation. The Organization has charitable status recognized under the Federal and Quebec tax laws on income tax and is therefore exempt from income taxes.

### **2 - SUMMARY OF ACCOUNTING POLICIES**

#### **Basis of presentation**

The Organization's financial statements are prepared in accordance with Canadian accounting standards for not-for-profit organizations.

#### **Accounting estimates**

The preparation of financial statements requires management to make estimates and assumptions that affect the amounts recorded in the financial statements, notes to financial statements and schedules. These estimates are based on management's best knowledge of current events and actions that the Organization may undertake in the future. Actual results may differ from these estimates.

#### **Revenue recognition**

##### *Contributions*

The Organization follows the deferral method of accounting for contributions. Under this method, contributions restricted for future period expenses are deferred and are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured. Endowment contributions are reported as direct increases in net assets.

The Organization may recognize contributed supplies and services when the fair value of these contributions can be reasonably estimated and if it would have had to otherwise acquire these supplies and services for its normal operations.

#### **Financial assets and liabilities**

##### *Initial measurement*

Upon initial measurement, the Organization's financial assets and liabilities are measured at fair value, which, in the case of financial assets or financial liabilities that will be measured subsequently at amortized cost, is increased or decreased by the amount of the related financing fees and transaction costs.

## Notes to Financial Statements

March 31, 2023

### 2 - SUMMARY OF ACCOUNTING POLICIES (Continued)

#### *Subsequent measurement*

At each reporting date, the Organization measures its financial assets and liabilities at amortized cost (including any impairment in the case of financial assets).

With respect to financial assets measured at amortized cost, the Organization assesses whether there are any indications of impairment. When there is an indication of impairment, and if the Organization determines that during the year there was a significant adverse change in the expected timing or amount of future cash flows from a financial asset, it will then recognize a reduction as an impairment loss in earnings. The reversal of a previously recognized impairment loss on a financial asset measured at amortized cost is recognized in earnings in the year the reversal occurs.

#### **Tangible and intangible capital assets**

Tangible and intangible capital assets acquired are recorded at cost. When the Organization receives contributions of tangible and intangible capital assets, their cost is equal to their fair value at the contribution date plus all costs directly attributable to the acquisition of the tangible and intangible capital assets, or at a nominal value if fair value cannot be reasonably determined.

#### *Amortization*

Capital assets are amortized over their estimated useful lives according to the straight-line method over the following periods:

|                        | <u>Periods</u> |
|------------------------|----------------|
| Computer equipment     | 10 years       |
| Furniture and fixtures | 15 years       |
| Website                | 5 years        |

#### *Write-down*

When the Organization recognizes that a tangible and intangible capital asset no longer has any long-term service potential, the excess of net carrying amount of the tangible capital asset over its residual value is recognized as an expense in the statement of operations.

#### **Foreign currency translation**

The Company uses the temporal method to translate transactions denominated in a foreign currency. Under this method, monetary assets and liabilities are translated at the exchange rate in effect at the balance sheet date. Non-monetary assets and liabilities are translated at historical exchange rates, with the exception of those recognized at fair value, which are translated at the exchange rate in effect at the balance sheet date. Revenue and expenses are translated at the average rate for the period, with the exception of the amortization of assets translated at the historical exchange rates which is translated at the same exchange rates as the related assets. The related exchange gains and losses are accounted for in the earnings for the year.

**5 - COMMITMENT**

The Organization has entered into long-term lease agreements expiring in June 2024 for the rental of buildings which call for minimum lease payments of \$13,200. Minimum lease payments for the next two years are \$10,560 in 2024 and \$2,640 in 2025.

**6 - FINANCIAL RISKS**

**Liquidity risk**

The Organization's liquidity risk represents the risk that the Organization could encounter difficulty in meeting obligations associated with its financial liabilities. The Organization is, therefore, exposed to liquidity risk with respect to all of the financial liabilities recognized on the statement of financial position.
